

BUY FAIRTRADE RICE from Malawi and SEND A CHILD TO SCHOOL

Dear Parent,

With your help we sold our first batch of Malawi FairTrade Rice in less than a fortnight! Thank you for your support!

Education is one of our Human Rights but only 1 in 3 children in Malawi go to secondary school and most of them are boys. We know that if a farmer can sell 90kg of rice at a guaranteed fair price he or she can make enough money to send a child to school.

Will you please buy our special Malawi rice and help us give **another** child the chance of an education?

It's still just £2.80 per kg!

Just complete the order form below and return it to school.

Thank you for your support.
